St. Tammany District PTA

ABOVE AND BEYOND AWARD Do you know a person in the community or at your school that has done an outstanding job helping the PTA? Gone beyond there job? They may help at an event, with concessions, help decorate, count fliers, and any other volunteering that needs to be done throughout the year. Examples: a custodian, cafeteria worker, para-educator, etc. Tell us about this wonderful person and how he/she has made your life easier through their hard work so we can recognize them.
